

MEMORANDUM OF AGREEMENT

RE: DEISGNATED UNIT PREMIUM

BETWEEN

HEALTH PEI

AND

PRINCE EDWARD ISLAND NURSES' UNION

WHEREAS Health PEI and the Prince Edward Island Nurses' Union have agreed that there are challenges in the staffing of registered nurses (RN's) to work shift work in certain 24/7 Health PEI units or areas;

AND WHEREAS the parties have agreed that effective the date of execution of the Collective Agreement expiring on March 31, 2025 (the "Collective Agreement") the parties will implement a trial of a "designated unit premium" to determine if the premium does incentivize RN's to work shift work on the units or areas designated by the Employer;

NOW THEREFORE the parties agree to the following terms which are to govern the trial:

1. The trial period shall begin on the date of execution of the Collective Agreement and shall automatically expire on March 31, 2025 (the "Trial Period"),
2. During the Trial Period, RN's who are scheduled to work shift work (excluding employees who work Monday to Friday day shifts) will be paid a premium of \$1.25 per hour worked on a unit or area designated by the Employer. The premium shall be paid to permanent or temporary full time and part time RN's (including extra shifts picked up by part time RN's on a designated unit or area).
