

Critical Care Nursing Program CCNP - ECCO

PEI offers a Critical Care Nursing Program (CCNP) to support nurses who work in or are interested in working in the ICU. The current CCNP study option is called Essentials of Critical Care Orientation (ECCO).

Whether you would like to work in ICU or are experienced in this area- the CCNP-ECCO will develop your knowledge and skills in this nursing specialty.

The Full Time CCNP- ECCO Timeline:

Weeks 1-8	Full time study/ Part Time Clinical	Education leave Online e-Learning Modules In person simulation and skills labs 8 Clinical Shifts
Weeks 9-13	Full Time Clinical	16 x 12 hour clinical orientation shifts Final exam

The Full Time 13 week program is offered 3 x annually in the Fall, Winter and Spring. The next full time program intake is **Sept. 9th- Dec. 20th, 2024.**

There is also a Part Time (e-Learning modules only) study option. Contact the Program Coordinators for more information.

How to apply: *Deadline for Fall Full Time is August 16th, 2024*
You require the support of your Nurse Manager to participate.

Once approved by your nurse manager, contact the Program Coordinators to inform of your intent to participate and to receive further information for course start up and registration.

*There is a 2 year Critical Care RIS with Full Time Program

Course fees: \$550

Please apply through the PEINU education fund [Ed Fund Application Form \(2024-2025\) - PEI Nurses Union](#)

For more information about this program please contact the CCNP Coordinators:

This program includes self-directed study of web-based lessons using the Elsevier e-learning platform and supported by in person teaching and simulation sessions.

A study schedule and regular communication with faculty will keep you on track with your studies.

Learners take part in independent self-study as well as in-person hands-on simulations and skills sessions.

Clinical shifts and orientation are held on PEI in Intensive Care Units.
