

Prince Edward Island Nurses' Union Policy Manual

Duties and Responsibilities of Vice President of Acute Care

Policy Number II-81

Date Approved: August 22/24
Last Amended: August 22/24
Last Reviewed: August 22/24

1. The VP of Acute Care will:
 - a) serve as the liaison between the Local Presidents who represent acute care areas and the Provincial Office.
 - b) communicate frequently with relevant Local Presidents to identify site specific and global concerns across HPEI that impact members.
 - c) ensure that they receive updated local reports from their respective work areas prior to Executive Council Meetings
2. The VP of Acute Care may be expected to represent members when the local Presidents are not available.
3. The VP shall follow all duties and responsibilities included in Articles 3.05 to 3.08 of the Constitution and By-Laws and relevant Union Policies.
4. Qualifications and expectations for this specific role are further identified in the Terms of Reference document.
