16 Week Accelerated Emergency Nursing Program

PEI offers an accelerated Emergency Nursing Program (ENP) to support nurses who work in or are interested in working in the Emergency Department. Whether you would like to work in Emergency or are experienced in this area - ENP will develop your knowledge and skills in this nursing specialty.

There is a 3900hr Critical Care Area RIS for taking this program

The next ENP starts **Jan 18th, 2027**.

The Accelerated ENP Timeline is as follows:

Week 1-5	Full time study	Education leave No clinical shifts
Week 6-8	Study / Clinical 1	Study 10 Clinical Shifts
Week 9-12	Study/ Clinical 2	Study 10 Clinical Shifts
Week 13 - 16	Study/ Clinical 3/4	Study 10 Clinical Shifts

Total 30 Clinical Shifts

This program includes self-directed study of web-based lessons supported by a high level of interactive on-line learning using our e-learning platform Brightspace by D2L.

A study schedule and regular communication with faculty will keep you on track with your studies.

Learners take part in virtual classroom sessions as well as in-person hands-on simulations and skills sessions. Discussions and case studies that mirror the uniqueness of emergency nursing are woven throughout the program. Clinical is held on PEI at Health PEI Emergency Departments.
